Welcome Message

Dear Attendees,

Annual Forums is proud to announce the International conference on Psychiatry, Mental Health & Psychology, to be held on June 29, 2026 (In-Person) at Village Hotel Changi, Singapore and June 30 & July 1, 2026 (Virtual) Via Zoom Platform.

The Annual Psychiatry 2026 invites individuals from worldwide to take part in a prestigious conference focused on the theme of "The Future of Mental Health: Integrating Neuroscience, Psychology and Psychiatry". Its purpose is to promote knowledge affirmation and the exchange of new ideas among professionals such as psychiatrist, mental health experts, professors, scientists and students in the Psychiatry and Psychology field. The event serves as a platform for sharing research experiences, engaging in discussions, and attending sessions on various Neurosciences topics. It also provides companies and institutions with the opportunity

to showcase their services, products, innovations and research findings. If your organization is interested in participating, please express your interest. The conference offers a program tailored to your interests, featuring networking opportunities, cutting-edge presentations, panel discussions and interactive sessions with speakers from diverse backgrounds. This exciting and informative conference encompasses keynote lectures, oral sessions, symposia, workshops, poster presentations and various programs designed for participants from around the globe.

Join us at Annual Psychiatry 2026 to exchange knowledge with our peers, stay updated on the latest innovations and enhance your career prospects. We eagerly anticipate your presence at Singapore in 2026.

Best Regards,
Rach Abell || PR Manager
Annual Psychiatry 2026
Annual Forums

About the Event

Annual Psychiatry 2026 offers a tremendous opportunity to meet and make new contacts in the field of Psychology and Psychiatry, by providing collaboration spaces and breakout rooms with tea and lunch for participants between sessions with invaluable networking time for you. It allows participants and delegates to have issues addressed in Annual Psychiatry 2026, by recognized global experts who are up to date with the latest developments in the field and provide information on Psychology and Mental Health. Annual Psychiatry is an International conference that will feature world-renowned keynote speakers, plenary speeches, a young research forum, poster presentations, workshops and career guidance sessions.

Annual Psychiatry 2026 creates an international forum for Psychiatrists, Professors, Academics, Researchers, Scientists, Health professionals and medical professionals from all over the world to discuss the latest issues.

The Conference will have an area for firms and/or establishments to gift their services, products, innovations and analysis results. If your company/organization is inquisitive about taking part in this event, then come and be part of this.

Hope you will take this opportunity to join us and visit the city of Singapore...

Reasons for Annual Psychiatry 2026

- Up-to-date research, current and emerging Healthcare & Medicine new changes that will be exclusively discussed at the conference. Do not let old and outdated information hold you back!
- Discover how other research can play a key accelerator role in your work and give you a competitive edge in achieving precision in desired results. Discover better ways to innovate, collaborate, work, and report.
- Get inspired by talking face-to-face with thought leaders, subject matter experts, and peers. Tap into their knowledge; discover innovative services that can benefit your research work.
- With participants representing many countries, your ability to engage with global sustainability leaders and your opportunity to see your work from a global perspective will be worth it.
- Each presenter will have some time for a Q&A session after their presentation, where you might receive questions about a challenge in your workflow or be looking for advice on implementing new techniques in your work. Hence, you will get some solutions and tips, which might be helpful for you.
- An idea is usually generated intentionally and created unintentionally. Ideas are often formed during brainstorming sessions or discussions.
- Bring your expertise to the local level and help the community through collaboration and networking. If you would like to speak at the conference, please submit your content ideas and boost your professional status

About Singapore

Singapore, the thriving city-state at the southern tip of the Malay Peninsula, stands as a global hub of commerce, culture and innovation. Known for its modern skyline, clean streets and multicultural vibrancy; Singapore offers a rich tapestry of experiences for both residents and visitors. From iconic landmarks like Marina Bay Sands and Gardens by the Bay to bustling neighborhoods such as Chinatown, Little India and Kampong Glam, the city seamlessly blends tradition with contemporary urban life.

As a leading center for finance, trade and tourism, Singapore plays a significant role on the global stage. Its world-class infrastructure, efficient public transportation system including the Mass Rapid Transit (MRT) network and commitment to sustainability make exploring the city effortless and enjoyable. Singapore's culinary scene, from hawker centers to fine dining, reflects its multicultural heritage and draws food enthusiasts from around the world.

Beyond its urban sophistication, Singapore offers green spaces like the Singapore Botanic Gardens and East Coast Park, providing serene escapes amidst the bustling city. The city's dedication to innovation and technology is evident in its smart city initiatives, cutting-edge architecture and thriving economy, establishing it as a model for modern urban living.

In summary, Singapore's dynamic atmosphere, cultural diversity and modern amenities create a captivating cityscape that reflects a harmonious blend of tradition, progress, and global connectivity in the heart of Southeast Asia.

Interesting Facts about Singapore:

Singapore, the bustling city-state at the crossroads of Southeast Asia, is a dynamic metropolis that blends modernity with rich cultural heritage. Known for its clean streets, futuristic skyline and multicultural neighborhoods; Singapore offers an unforgettable experience for both residents and visitors.

Walking through Singapore, you will notice a striking mix of contemporary architecture and preserved heritage buildings. Iconic modern structures like Marina Bay Sands and the ArtScience Museum sit alongside historical districts such as Chinatown, Little India and Kampong Glam, creating a unique visual and cultural tapestry.

Why Sponsor?

Sponsorship powerfully influences audiences more than any other tool. It is a direct, cost-effective way to capture your target market. Aside from valuable brand exposure throughout the event campaign and during the event itself, sponsorship is your route to addressing our audience with your knowledge and experience through our unique program of conference and learning sessions.

Our sponsorship packages are customized to our clients' specifications. We understand that every business is unique and will work with you to develop a package that meets your business's individual goals and objectives.

Exhibitions allow you to advance all your marketing goals:

- Long-term building
- Generating media coverage
- Engage with loyal customers
- Teaching new prospects about offerings
- Promote your services to potential clients
- Teaching new projects about your offerings
- Showcase your products to the event attendees
- Establish partnerships with key players in the value chain
- Establish collaborations with other companies and individuals
- Identify prospective clients among conference attendees and organizations they represent

About Annual Forums

Annual Forums is initiated for conducting online and Physical events globally. Annual Forums involves in planning, Organizing and executing scientific events across the globe with people from different scientific backgrounds coming together and participating in these events. Our attendees include academicians, professors, students and Industrialists whom they come together to join and share their knowledge. Our organization believes in imparting holistic and sustainable development with the mission to ignite young Turks and prepare them for future challenges.

Our focus is to make available scientific research articles in all areas of education easily accessible

by researchers and academicians based on the open-access platform. We believe that the open-access model will create a dynamic space for learning, sharing, and stimulating research all around the world.

We provide the opportunity of free, unrestricted access to excellent research articles to academia, researchers and interested individuals who seek knowledge and enlightenment. Annual Forums believes that knowledge should be easily accessible without restrictions. It understands the unique challenges faced by researchers in their work toward achieving their personal and professional fulfillment.
